MEMORANDUM FOR: Associate Deputy Director for Intelligence  
SUBJECT : Request to Talk to Classes at Auburn and Troy State Universities

1. Professors Jacob Walkin, Department of Political Science, Auburn University, and Curtis Porter, Department of History, Troy State University (Montgomery, Alabama) have invited me to give a series of talks on Eastern Europe at their respective institutions during the period 5-8 May. Audiences would consist of undergraduate and graduate students of Slavic affairs, plus some faculty members.

2. I request permission to give these talks. I will not, of course, discuss any classified information or any matters currently affecting the Agency. (This trip would be the third appearance in four years of an East Europe Branch representative on the Auburn campus; Professors Walkin and Porter are thoroughly familiar with the ground rules covering such visits.)
